RxBenefits has partnered with Sutton Transport and OptumRx to bring you best-in-class pharmacy benefits.

RxBenefits goal is to ensure your safety, make every effort to reduce your out-of-pocket costs, and promptly address any questions or issues that may arise to ensure you get the maximum value from your benefit plan.

RxBenefits Member Service representatives are equipped to help you, your physician, and your pharmacy with questions such as:

- “Is my pharmacy in the network?”
- “Is my drug covered?”
- “How do I start using Mail Order for my medications?”
- “How do I get a Prior Authorization?”
- “Can you assist me with general benefit questions?”

No matter what the issue or need, you can always expect RxBenefits to:

- Act with urgency
- Remain responsive to change
- Follow all issues to Resolution

Medications Home Delivery

Home delivery is a convenient service for members who take medications to treat a chronic condition on an ongoing basis. Examples of conditions that may require maintenance medications include hormone replacement, asthma, diabetes, high blood pressure, high cholesterol, arthritis, and many other routine prescriptions delivered directly to your door so you never miss a dose. Receive up to a three-month supply of your maintenance medication(s) delivered safely and reliably right to your door. Save time and money!

You have access to one of the largest national pharmacy networks. Manage your medications anywhere, anytime, search for the nearest retail pharmacy, check drug interactions and your mail order by visiting OptumRx's web portal (www.optumrx.com). Your

RxBenefits Member Services Team is available to answer any questions you may have. You can reach them Monday – Friday from 7:00 a.m. to 8:00 p.m. CT by calling **800.334.8134** or emailing CustomerCare@rxbenefits.com.
